Re: United States v. Simels
08-cr-640 (S-3)-01

To Whom It May Concern:

Enclosed please find a Motion, pursuant to 18 U.S.C. Section 3582(c)(2) and USSG Amendment 782, together with four (4) Exhibits, and a Certificate of Service, evidencing service of these documents upon the United States Attorney's Office.

I have not included a reference to a specific judge in the caption as the trial court, Hon. John Gleeson, has retired from the bench. I would note that Judge Chen is presently designated to a Coram Nobis Petition that is pending.

Thank you for your attention to this matter. I would appreciate receiving an updated Docket Sheet that will reflect the filing of this Motion.

Very truly yours,

A handwritten signature in black ink, appearing to read "Rob M. Simels", written over a horizontal line.
